Composer's Note

Taken from The Hidden Soul of Harmony for Brass Band this piece is part of a suite commissioned by Fitjar Skulekorps and their conductor Sveinn Koppang from Norway which took the soloist prize at it's premiere in the Sotrafestivalen contest in 2011.

Using simple intervals, articulations and a limited range the piece demands more from the soloist and accompaniment emotionally. The student(s) is asked to draw from personal experience to give a heartfelt performance. The shape and mood of the music is important. Students can take the opportunity to explore their emotional playing.
