Composer's Note

This piece was designed as a 'concert opener' using a basic fanfare and theme structure. Written in ABA form, the B section features some brief solos (a variation on the main theme) and tutti at the same opening speed rather than slowing. Starting with a brief fanfare the piece ends with an elongated coda of the first few bars.

This piece was originally commissioned by Stuart Black and the Greenfield Brass Band for their trip from the UK to Germany in 2010. The premiere was given in a joint concert with the Klostermansfeld Concert Band.

In 2014 Dr. Howard Evans commissioned a version for the University of Salford Symphonic Winds Ensemble which was then adapted for this publication.
